

“BULLYING”

A webisode series brought to you by

MISSION: HEALTHY LIVING

and

POTTSTOWN AREA HEALTH & WELLNESS FOUNDATION

The Foundation is producing an informative webisode series on the very important topic of bullying. The intended audience is parents who may be unaware or aware their child is being bullied. The series also addresses questions parents might have if their child is the bully.

Available by mid-March, please go to www.MissionHealthyLiving.org to view the webisodes.
