

# About the Pottsgrove Educational Foundation

Created in 2000, the Pottsgrove Educational Foundation (PEF) initiates and supports programs for the benefit of the students and residents of the Pottsgrove School District.

Activities of the PEF include awarding mini-grants through the Classroom Grant Program. This grant program funds classroom projects that otherwise would not be possible through the Pottsgrove School District's regular school budget. Through these classroom projects innovative programs enter the classroom curriculum.

The PEF also administers a yearly scholarship given to a graduating Pottsgrove High School senior.

The Educational Foundation raises money through fundraisers such as the Annual Fun Run, and through memberships.
