

To The Parents of Pottsgrove School District Students:

We are now enrolling students who wish to participate in the school instrumental music program. As you may know:

- ♫ A child who learns to play an instrument learns discipline and cooperation with others.
- ♫ Music provides an opportunity for your child to be engaged in fun, fulfilling, and constructive activities.
- ♫ In addition, studies have shown that children involved in instrumental music attain greater levels of academic achievement.

Parent Meeting:

A meeting for parents and students will be held on **Tuesday, September 3, 2019, at 6:00 p.m., at Lower Pottsgrove Elementary School**, at which time all information regarding the instrumental program will be discussed. Please make every effort to attend this meeting. All beginning instrumental students should be registered by this date.

Renting an Instrument:

In order to get started in the program, your child will need an instrument.

- ♫ As a convenience to parents, **Zeswitz Music** will attend our meeting to present their instrument rental program to us. Please be aware that you are free to obtain an instrument from a source of your choice. However, make sure that it is a good quality instrument in proper playing condition. If you have any questions, please do not hesitate to contact one of the instrumental music teachers.
- ♫ Zeswitz instruments are approved by our music teachers. Zeswitz Music delivers instruments directly to our schools and visits our schools on a weekly basis to take care of any service or repair needs (all incidental service and repair is included). All rental payments can apply toward purchasing the rented instrument. In addition, under the guidance of the music instructor, students can switch to another instrument at any time during their rental.
- ♫ Zeswitz is our most trusted provider of rental instruments for both excellent service and competitive prices.

You can make arrangements to rent an instrument from Zeswitz by filling out an application at the meeting, or you can register online at www.zeswitzmusic.com using. Registering online will streamline the application process and will help ensure that your child receives an instrument in a timely fashion.
