MULTIPLICATION LOG

Fourth grade students are expected to practice their multiplication facts for at least 10 minutes each night. There are several ways to practice. The following are some suggestions:

- Flashcards
- www.multiplication.com - this website is full of multiplication games
 - Practice with a family member
 - iPhone or iPad app
- Any other multiplication game on the computer

Please fill out the following each night. Your log is due on Friday with a parent signature.
