

Art Class Rules and Expectations: Virtual Edition

During our Virtual Learning portion of the year these are the Rules and Expectations that we will be following:

A: Attitude - Have a positive “I can do it” attitude when approaching any of our assignments or tasks

R: Respect - Be respectful to your teacher, peers, materials, and self

T: Technology Etiquette - Make sure that all communication, such as talking in live sessions, posting work or comments, or sending emails, is done in a kind and respectful way

I: Involved - Be sure to stay on task when meeting in live sessions and keep up with your work when we are not meeting so it is completed

S: Schedule - Do your best to stay on schedule for our projects so you have time to get your work completed and turned in to earn your points

T: Together - Remember that we are all in this together so if there are any concerns or questions, be sure to reach out
