

Finding Technology Access Information in the PowerSchool Vault

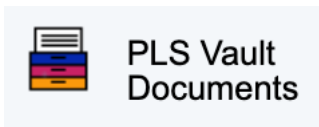

Step 1 - Go to www.pgsd.org and select the PowerSchool icon on the banner

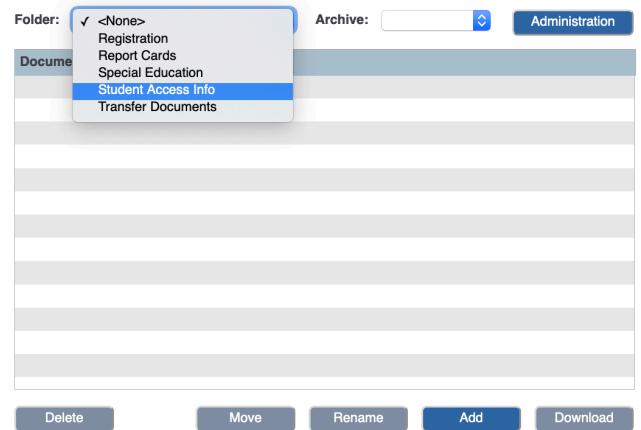

Step 2 - Put in your PARENT username and password and select “Sign In” to access Power School.

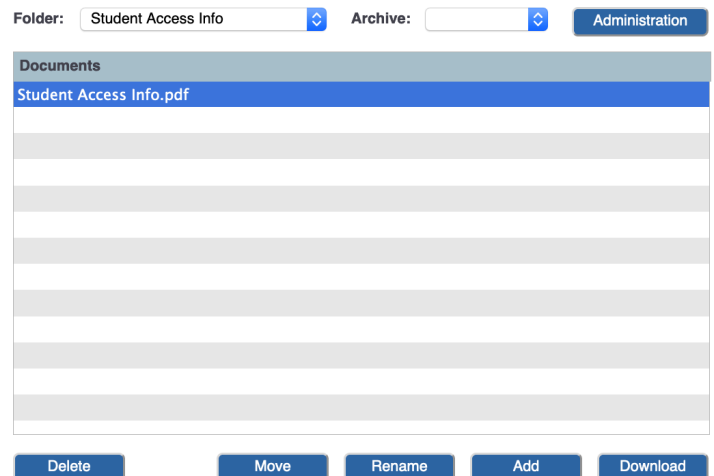

Step 3 - On the left hand “Navigation” bar select the “PLS Vault Documents” button.
At this time this button will only appear for students enrolled in in PGHS & PGMS.

Step 4 - Select the drop down menu next to “Folder” and select “Student Access Info”.

Step 5 - Select the document titled “Student Access Info” and the click “Download” in the bottom right corner. Once this document is opened it will include the most essential log in information for you and your student.

If you have any technology related questions please email dile@pgsd.org .
