

Pottsgrove School District

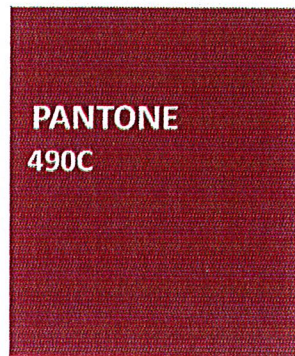

The official Pottsgrove School District colors are maroon and white.

Due to different printing processes, apparel dyes and paper stocks, maintaining consistent color matches can be difficult. PGSD uses the ink-matching system known as Pantone Matching System or PMS is used to provide standards for matching. The PMS should be provided for any printing or dying representing PG colors. For full-color jobs, CMYK (4-color process) equivalents are provided. For other electronic and web applications, Red-Green-Blue (RGB) and Hex equivalents are also listed.

The acceptable shade of maroon is PMS 490c. The acceptable shade of gray is PMS 429C.

For cost purposes, some special exceptions will be made to these colors for uniforms, merchandise and promotional items. Contact Gary DeRenzo to inquire about exceptions.

PRIMARY COLOR

CMYK	RGB / Hex
C = 39	R = 87
M = 87	G = 28
Y = 73	B = 32
= 58	HEX# = 571c20
