Pottsgrove Wrestling Club is a non-profit organization that serves boys and girls from grades K-8 in the Pottsgrove Community.

Our goal is to develop and grow an organization that is welcoming, instructional, and develops not only the child's physical skills, but their confidence.

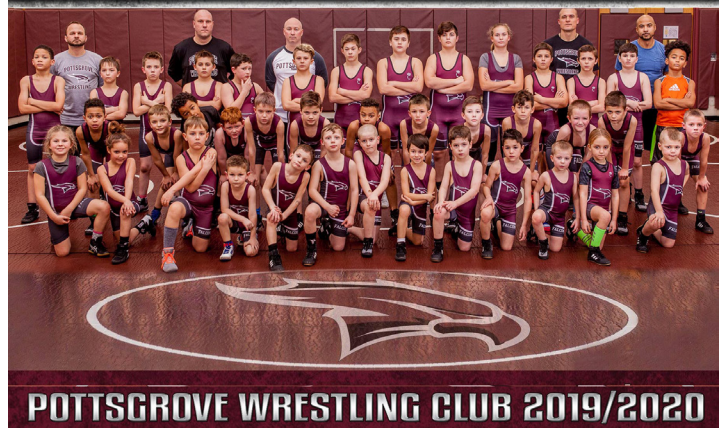

General Information:

- Competition in youth wrestling is based on the wrestler's age, weight, skill level, and years of experience. For weekly meet match-ups, each wrestler's Win/Loss record is also taken into consideration. The goal is to get each wrestler as close to a .500 record as possible by creating match-ups accordingly.
- Practices are evenings from Early November until Late February. (exact days for age groups to be determined)
- Practice is held in the Pottsgrove Middle School auxiliary gym (This is subject to change).
- Team Meets are Saturdays, usually in the morning.
- There are several optional tournaments wrestlers can attend during the season.
